DECORATING FOR THE FALL

When you want to welcome fall, there are all sorts of ways to be creative. You may want to get a wreath to hang on the door, or visit a craft store where you can get a pumpkin (or two). The benefit to craft store pumpkins is that you won't have to worry about them

rotting. Some cinnamon can hang in your apartment, and it can add a fresh scent you're sure to love.

MOST EXPENSIVE WEDDING EVER

Though it's difficult to call it official, the 2004 wedding of Vanisha Mittal, daughter of steel tycoon Lakshmi Mittal, is considered the most expensive wedding in history. With a final tab of \$60 million, the wedding included invitations mailed in silver boxes, rooms at a five-star Paris hotel, and performances by pop singer Kylie Minogue. That final price tag dwarfs another famously expensive wedding, that of British soccer star Wayne Rooney and his wife Coleen McLoughlin. The Manchester United star reportedly spent \$8 million on their nuptials, which included a chartered flight for friends to Genoa for a masked ball on a yacht valued at well over \$100 million. Chelsea Clinton's 2010 wedding reportedly cost \$3 to 5 million.

GROCERY SHOPPING TIP

It pays to be aware of the marketing tricks at the grocery store. Products displayed at eye-level are generally the most expensive. This is partly because manufacturers have to pay a hefty premium to get their products in those prime spots, and partly because it is the biggest manufacturers that are willing and able to pay those prices. You will find bargains up high, or down low on the bottom shelves.

FOOD TIP

When you find a good price on milk, you probably wish you could stock up. The best way to store milk long-term is by freezing it. To freeze milk, remove about one cup from a gallon container of milk to prevent the jug from expanding too much when frozen. It can be frozen for up to 3 months.

DID YOU KNOW: PUMPKINS

Many people believe that pumpkins are vegetables, but they are really fruits. About 90 percent of pumpkins sold in the U.S. are used for jack-o-lanterns. Not all pumpkins are orange. The average sized pumpkin has about one cup of seeds. Pumpkins are 90 percent water. The biggest pumpkin pie on record weighed 2020 pounds. It used 900 pounds of pumpkin, 62 gallons of evaporated milk, 155 dozen eggs, 300 pounds of sugar, 7 pounds of cinnamon, 2 pounds of pumpkin spice, and was placed in 250 pounds of crust.
