Renton Farmers Market

Each Tuesday, June - September, 3pm - 7pm at Piazza Park
For thirteen years, the Renton Farmers Market has been bringing fresh and local food to Downtown Renton Tuesdays during the summer. Along with fresh and local produce, you can also find baked goods, flowers, honey, seafood, cheese, eggs and meat to just name a few of the things that await you at the Piazza.

Renton restaurants will be showcasing "tastes" of their menu each Tuesday from 4:30-5:00 pm. There will be entertainment - instrumental music or dancers - or both! These are scheduled from 5:30-6:30 pm. The Kid's Patch will have things to explore, bubbles to blow and play dough to shape! This is not a babysitting service, but an activity area for kids to anticipate for their trip to the market.

COMMUNITY NEWS

Dads and Grads. Congratulations!

Are you a dad or a grad? As the long school year draws to a close, those of you who are graduating deserve that well-earned pat on the back that will come in the form of a coveted piece of paper you worked so hard for. Graduation is just a beginning, and it's now time to make your mark on the world. For our dads, it's time for the recognition! Those long days at work, and the extra time you take out of your busy day to be a father isn't going unnoticed. So for all our dads and grads this June, we salute you!

Can a Nap Make You Smarter?

According to a study conducted at the UC, Berkeley, a midday nap might just make you a bit smarter. The study was conducted with the help of 39 college students, each of whom was asked to learn a series of new names and faces at noon and match the faces a few minutes later. The same test was then performed at 6 p.m. that same day. A group of the participants who took a nap at 2 p.m. performed

better than those students who did not nap. In fact, the non-nappers even showed a decline in memory test scores. Researchers credit the nap with refreshing the brain, and they credit the study with showing that the brain's ability to absorb new information declines over the course of a typical day. When a person naps, that decline is reversed.

Patio Contest

Huge Congratulations to our April Patio Contest winners.

And a huge thanks to everyone who joined in on the fun.

Learn Something New This Summer

Summer is coming again and you know you want to do something different, but just what is that you are looking for? One of the fastest growing vacations is the kind where you learn to do something totally out of your normal, everyday life. Perhaps you would like to try out a cookery course. Think of the shock on your friends or family's faces when you invite them to that gourmet meal that wasn't delivered by the local eatery. Or display that water-color you produced yourself on the shores of the Indian Ocean.

Rent

Rent is due by the first day of the month, so please pay your rent on time. Rent paid after the fourth of the month will be assessed a daily late fee. Please contact the office immediately if you anticipate difficulty with payment.
