Public Transportation Safety

When traveling on public transit, practice awareness when getting on and off the bus. Wait at a bus stop that is well-lit and has lots of traffic and people around if possible. Sit near the front of the bus so you are closer to the driver. When exiting a bus, be aware of those exiting at the same time. Travel immediately to a safe spot and continue to your destination.

Watch Out For Travel Delays!

Winter is here! Here is a winter tip for those who will be traveling: when planning travel, be aware of current and forecast weather conditions. Be sure to check the weather ahead of time to ensure safety and time for potential delays.

COMMUNITY NEWS

Living Healthy

It can be hard to sort through it all to find the best ways to improve your health. Studies show that despite receiving information about it, most people do not focus on the health habits. Here are some ways to live healthy. Avoid tobacco, maintain a healthy weight, eat five servings of fruits and vegetables each day, and be physically active 30 or more minutes a day at least five times a week. Each of these habits offers significant health benefits.

Cold Weather Tips for Pet Owners

We have some cold weather tips for you and your pets as you prepare for winter. Any short haired animal should not be left outside for long periods during cold weather. If you must leave your dog outdoors, provide a dry, draft-free doghouse. Make sure that water left outside has not frozen. Pets need more water in the winter, as they are using extra energy keeping warm. They also may need more food

during colder weather. Keep antifreeze away from your pets, as it can be fatal. It is attractive to animals because it has a sweet smell. Your pet will still need exercise in the cold weather, but only short walks are recommended. Clean off your dog's feet when you return home to remove any ice or snow melting chemicals.

“The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it.”
—Albert Einstein

Meet the Staff

Brittney Connor- Community Manager
Nicki Royle- Financial Manager
Troy Jensen- Maintenance Lead
Jeff Pace- Maintenance Tech

Leasing Center Hours Mon - Fri: 9-6, Saturday 10-5, Sunday Closed

Maintenance Emergencies

Please contact the office immediately for maintenance emergencies including, but not limited to, broken windows or doors, strong odors of gas or smoke, electrical problems, consistently running toilets, and

Interior Decoration Regulations

Of course, all residents are invited to make yourselves at home and decorate your apartment home however you like. Furniture, accessories and hanging pictures are all well within reasonable decorations. Please keep in mind that you need management approval for major design changes including but not limited to wallpapering, re-carpeting, painting, and any other significant changes to your apartment home. Of course, please contact the management office with any questions, or if there is anything we can do to assist you.

Construction

As you may have noticed, we are currently making a few changes around here to make your community more beautiful. Please excuse the mess and the noise while we go through this process.
