## A Trick For The Kitchen!

Have you ever dug your spoon in an ice cream tub where the ice cream was too hard to scoop? Well here's a neat tip on how to fix that! Store your tub of ice cream in a ziploc bag when you put it in the freezer to keep it from getting too hard. Do this to save yourself from bending a spoon; enjoy your ice cream!

## Onion Peeling Trick!

Pearl onions are a tasty and charming addition to a dish but all those little onions can be a hassle. Instead of peeling each raw onion, simply trim off the tip of the onion (the end opposite the root end). Drop into boiling water for about two minutes. Drain and let cool. Pinch each cooled onion at the root end. The onions will slip right out of their casing, ready for you to use in your dish.

## Inviting Guestrooms

If you're planning for some guests

in your home, consider these ideas. Along with clean bed linens, consider adding a featherbed mattress topper, extra pillows, and extra blankets for your guests. If there is space available, have a small upholstered chair in a corner. Offer some bottled water and some light snacks. The room should have adequate lighting, including a reading light by the bed. A simple alarm clock is a necessity.

## Money Bad Habits You Can Break

**Refusing to use a budget:** Keeping track of all your expenses can show you where your money is going and where you can cut back.

**Using credit cards to get the perks:** It doesn't make sense to get the miles or save a little more on your purchases if you are racking up the interest charges. Only use your credit card if you can pay it off each month.

**Not having an emergency fund:** That rainy day will come. Even putting a little bit aside can keep you from reaching for a high-interest credit card when you have an unexpected emergency.

## Someone Once Said

"It is good to love many things, for therein lies the true strength, and whosoever loves much performs much, and can accomplish much, and what is done in love is well
