Food Tip

When you find a good price on milk, you probably wish you could stock up. The best way to store milk long-term is by freezing it. To freeze milk, remove about one cup from a gallon container of milk to prevent the jug from expanding too much when frozen. It can be frozen for up to 3 months.

Simple Fashion Tips for Every Day

Here are a few basic tips to help develop your innate fashion sense:

- o Wear something comfortable. You won't look good if you can't breathe.
- o Wear a color you love. Most people feel more confident in their favorite colors.
- o A pair of earrings and a nice handbag can do wonders for any outfit.

Inviting uestrooms

If you are planning for some guests in your home, consider these ideas. Along with clean bed linens, consider adding a featherbed mattress topper, extra pillows, and extra blankets for your guests. If there is space available, have a small upholstered chair in a corner. Offer some bottled water and some light snacks. The room should have adequate lighting, including a reading light by the bed. A simple alarm clock is a necessity.

Making Lists for Better Time Management

Some days, it feels like you wake up, immediately get to work and don't have a minute to yourself until lunchtime. But how much did you really get done? We tend to waste time on projects that aren't going anywhere, instead of focusing on tasks that will actually yield results. To avoid this, try making a list of the things you absolutely need to get done that day. Then make another list of things to focus on after the

priority list is completed. You can make these lists first thing in the morning or even the night before. This way, you'll prioritize instead of taking up tasks impulsively.

"The world is a dangerous place to live; not because of the people who are evil, but because of the people who don't do anything about it."

Start Your Own Book Club

A book club is a great option for those who want to read more but can't seem to finish a book, or have trouble selecting reading material. Starting a book club and getting together with like-minded people to discuss each book makes reading more enjoyable. You can start a book club with as few as three people. Each week, have a different member choose which book to read - this will give your group a variety of viewpoints and interesting topics to discuss!

Maintenance Emergencies

Please contact the office immediately for maintenance emergencies including, but not limited to, broken windows or doors, strong odors of gas or smoke, electrical problems, consistently running toilets, and broken heaters or air conditioning units.
