Lock Up Your Vehicle

What are the top things that attract car thieves? Unlocked doors, rolled-down windows, a key in the ignition, and valuables in plain sight. To protect yourself, always remember to lock up your vehicle and take your keys with you. Don't leave valuables, bags, purses, or backpacks in view. Take these precautions even if you are just away for a few moments.

How to Revamp Your Wardrobe

Everyone should revamp their wardrobe at least once a year. Here are a few tips:

- o Throw out anything that doesn't fit or looks very worn.
- o Only buy new things that you truly love!
- o Try clothes on before you buy when possible.
- o Be daring. Try on a new style every time you go shopping.

COMMUNITY NEWS

Flu Season

Flu season is here. There really is no

cure for the flu. But there are things you can do to make yourself more comfortable during the duration. Get plenty of rest and drink lots of fluids. Fever can be treated with acetaminophen. Be sure to talk to your doctor to get advice about using a decongestant/antihistamine to treat nasal congestion. Antibiotics have no effect on the flu because it is caused by a virus. And what about chicken soup? Although it doesn't cure anything, it can soothe a sore throat.

The Heat is On

Keep your energy bills down by making sure your water heater is working efficiently. Keep your water heater temperature set to 120 degrees or less. Not only will you save money, but this lower setting is safer for your family. You can save up to \$25 annually if you use an electric water heater and up to \$18 annually for a gas water heater. Consider insulating your water heater and hot water pipes. To see

if you need insulation, feel them. If they are hot to the touch, you can benefit from some insulation to reduce heat loss. If you are looking to replace your water heater, consider a high-efficiency model. While it will cost more than a standard model, you will see payback within 2-3 years for a gas model.

Winter Guests

If you have guests coming to stay

with you this winter season, you'll want them to feel right at home. If you will be offering your guests a spare room, make sure that there are some extra pillows and blankets available. Clear knick-knacks off of end tables and dresser tops, and make sure there is ample lighting in the room. Provide a place for a coat, umbrella, purse, and keys, like a small table or sturdy chair. Your guests will need some drawer space and some empty hangers in the closet.
