VALENTINE'S DAY

Love, Cupid, hearts, chocolates, cards and flowers are everywhere--it's Valentine's Day! On February 14, Americans celebrate love and friendship. But where did this holiday of affection come from? The origins of Valentine's Day are murky. We do know that the ancient Romans celebrated the feast of Lupercalia, a spring festival on 14th of February--the saint day that celebrated several early Christian martyrs named Valentine. But somewhere along the way, Valentine's Day came to represent romance. The romance we associate with Valentine's Day may spring from the medieval belief that birds select their mates on February 14th. During the Middle Ages, human lovebirds recited verse or prose to one another in honor of the day. "Shall I compare thee to a summer's day?" wrote William Shakespeare

Stop by the leasing office and guess how many hearts are in the jar. The closest guess will win a Valentine's evening out! You and a guest will enjoy a fabulous dinner and movie tickets at Jordan Commons.

Our younger residents have a chance to win as well. Guess how many M&M's are in the jar. The closest guess wins the jar of M&M's!

GOOD LUCK!

DID YOU KNOW???

While Valentine's Day celebrations in the Philippines are similar to celebrations in Western countries, one tradition has swept the country and led to thousands of couples sharing a wedding day on February 14th. Mass wedding ceremonies have gained popularity in the Philippines in recent years, leading hundreds of couples to gather at malls or other public areas around the country to get married or renew their vows en masse.

10 MINUTE CANDY MELTS!

What you'll need :
White chocolate, 2TBS shortening, red food coloring. Directions: Melt the white chocolate and shortening in the microwave, but be extremely careful not to burn. Pour onto a baking sheet lined with wax paper. Drop a few drops of red food coloring onto the chocolate, scattered around. Swirl the coloring with a fork. Use a toothpick to make hearts. Enjoy!

Character is like a tree and reputation like a shadow. The shadow is what we think of it; the tree is the real thing. —Abraham Lincoln

EATING THE MEDITERRANEAN WAY

A study followed 23,000 adults in Greece and revealed that a diet rich in vegetables, fruits, nuts, and legumes had a significant impact on longevity. The Mediterranean diet also had lower intakes of meat and a moderate consumption of alcohol. Researchers expected to find that the high intake of grains and seafood had a significant effect as well, but this did not prove to be the case. While this region's diet has long been recommended, researchers are only now seeing which items give the biggest bang for the buck.

RENT

Rent is due by the first day of the month, so please pay your rent on time. Rent paid after the fourth of the month will be assessed a daily late fee. Please contact the office immediately if you anticipate difficulty with payment.
