Character is like a tree and reputation like a shadow. The shadow is what we think of it; the tree is the real thing.

MONEY BAD HABITS YOU CAN BREAK

Refusing to use a budget: Keeping track of all your expenses can show you where your money is going and where you can cut back.

Using credit cards to get the perks: It doesn't make sense to get the miles or save a little more on your purchases if you are racking up the interest charges. Only use your credit card if you can pay it off each month.

Not having an emergency fund: That rainy day will come. Even putting a little bit aside can keep you from reaching for a high-interest credit card when you have an unexpected emergency.

HAVE YOU LAUGHED TODAY?

Researchers have found that laughter might just be the best medicine. Laughing reduces stress, lowers blood pressure, and boosts your immune system. It can even improve relationships. Take some moments each day to look at the lighter side of things and your mood and health will benefit.

JOKE

Q: How many psychiatrists does it take to change a light bulb? A: Only one, but the light bulb has to WANT to change.
